SPOTLIGHT PRODUCTS

A look at the standout items

Original Used Starter Motor, Porsche Diesel Junior and Super Tractors (003155604)

An original used starter motor in good condition for Porsche Diesel Junior and Super tractors, a genuinely scarce item for running restorations.

- Fits Porsche Diesel Junior 108, 109, and A 111 tractor types
- OE part number 003155604
- Original unit, used, tested in good condition
- Scarce in the market; few specialist sources hold stock
- Correct factory starter for Junior and Super applications

€400.00 retail value

OE Front Axle Spring Uprights, Porsche Diesel AP18, AP22, 218 (1490009940119)

Two OE front axle spring uprights for Porsche Diesel AP18, AP22, and 218 tractors: the last two available from this production run.

- Fits Porsche Diesel AP18, AP22, and 218 with Porsche spring-mounted front axle
- Non height-adjustable axle specification
- OE parts, not reproductions
- Only two remaining; no further production planned
- Essential structural component for these rare early tractors

€390.00 retail value

Qty in stock: 1

Used 2-Cylinder Crankshaft, Porsche Diesel Tractor Engine, Good Condition

A used, good-condition crankshaft for the 2-cylinder Porsche-Diesel tractor engine -- one of the scarcest drivetrain parts for a 1950s-1960s machine with almost no supply.

- Fits Porsche-Diesel 2-cylinder tractor engines, 1950s to 1960s production
- Used, inspected, and graded good condition
- These engines are out of production -- no new cranks are being manufactured
- Extremely scarce: a genuine barrier-to-restoration part when missing
- For serious restorers committed to keeping an original drivetrain

€320.00 retail value

Qty in stock: 1

Front Collar Bearing, Standard Size, Later Porsche Diesel (010310712)

Standard-size front collar bearing for later Porsche-Diesel tractor models, OE reference 010310712.

- Fits later-series Porsche-Diesel tractors
- Standard size, OE part number 010310712
- Front crankshaft collar bearing position
- New-old-stock collector tractor spare
- Rare original component, difficult to source

€299.00 retail value

Qty in stock: 3

Clutch Pressure Plate, Porsche Diesel Standard T217, Star 219, 238

Clutch pressure plate for Porsche-Diesel Standard T217, Standard Star 219 and 238 tractor models, OE 002010204.

- Fits Porsche-Diesel Standard T217, Star 219 and 238
- OE part reference: 002010204
- New-old-stock tractor spare
- Correct pressure plate for collector restoration
- Rare original Porsche-Diesel drivetrain component

Rear Main Bearing Collar, 70mm Standard, Porsche Diesel Crankshaft (050310990)

A standard 70mm rear main bearing collar for the Porsche Diesel crankshaft, fitting all Junior, Standard, Super, and Master models.

- Fits all Porsche Diesel models: Junior, Standard, Super, and Master
- Standard specification, 70mm crankshaft dimension
- OE part number 050310990
- No current retail listings exist for this collar
- Obsolete NOS agricultural part with virtually no alternative source

€275.00 retail value

Qty in stock: 2

Front Crankshaft Bush Bearing, Standard Size, Porsche Diesel (010310702)

Standard-size front crankshaft collar bush bearing for Porsche-Diesel tractors, OE part reference 010310702.

- Front crankshaft position, standard size
- OE part number: 010310702
- New-old-stock, genuine specification
- Suits Porsche-Diesel tractor engine rebuild
- Scarce original bearing, no longer in production

€255.00 retail value

Qty in stock: 3

NOS Exhaust Silencer Blank, Porsche Diesel Super and Master Tractors

A genuine NOS Porsche Diesel exhaust silencer blank -- the raw foundation for a custom-built exhaust system on a tractor that has almost no parts supply left.

- Fits Porsche Diesel Super Master agricultural tractor exhaust systems
- NOS (new old stock) -- uninstalled, blank configuration with no outlets
- Requires modification: pipe connections and outlets must be fabricated to suit
- One unit remaining -- no known retail source currently carries this part
- For restorers building a complete silencer system from scratch
