## SPOTLIGHT PRODUCTS

### A look at the standout items

#### Rebuilt IRS Gearbox [AM 16-02], VW 1302/1303 Super Beetle, Ghia & GT Beetle

A professionally rebuilt IRS gearbox for the Super Beetle, Ghia, and GT Beetle -- race-shop work by John Mahon Racing at a point in the market where rebuilt units are genuinely hard to find.

- Fits VW 1302, 1303 Super Beetle, Ghia, and GT Beetle (IRS models)
- Code AM: 3.88:1 final drive ratio
- Rebuilt by Formula Vee race technician John Mahon Racing
- Convertible to swing axle type; rear mounting can be changed to 2-hole if needed
- Rebuilt IRS units are in demand -- not a shelf item at most suppliers

**€1,800.00** retail value

Qty in stock: 1

#### Rare Non-Synchro Crash Gearbox, 1955 Oval Beetle, Original Condition

A rare pre-synchromesh crash gearbox pulled from a 1955 Oval Beetle in excellent condition -- a genuine collector piece for early Beetle authenticity.

- Removed from a 1955 VW Oval Beetle; fits early Beetle (1945 to early oval era)
- Non-synchromesh (crash) type -- correct for pre-1953 and early oval-era builds
- Removed when car was converted to IRS for competition; gearbox itself untouched
- Excellent condition confirmed at removal
- Half shafts included; OE front axle also available separately -- best collected

**€1,500.00** retail value

#### EMPI Front Disc Brake Kit, Drop Spindle, Double-Drilled 5x205/5x130, Air-Cooled VW

EMPI's drop-spindle front brake disc kit, double-drilled for 5x205 and 5x130 patterns with 12x1.5 mm studs -- a proven upgrade for air-cooled VW resto-mod builds.

- Fits air-cooled VW Type 1 with drop spindle front suspension
- Double-drilled: accommodates 5x205 and 5x130 bolt patterns
- 12x1.5 mm stud thread; confirm stud spec matches your wheel selection
- EMPI brand, established performance supplier for classic VW
- Converts drum-brake front end to disc for improved stopping

**€570.00** retail value

### EMPI 78mm Counter-Weighted Stroker Crankshaft, VW Type 1

EMPI's 78 mm counter-weighted stroker crankshaft for VW Type 1 -- a forged performance core for builders after more displacement without an engine case swap.

- Fits VW Type 1 air-cooled engine (Beetle, Bus, Ghia, Thing)
- 78 mm stroke; counter-weighted for improved balance at performance rpm
- Multiple die-stamp forged construction
- EMPI brand; a standard stroker build component from an established supplier
- Works with standard Type 1 case -- no case boring required

**€455.00** retail value

Qty in stock: 1

### EMPI 74mm Counter-Weighted Crankshaft, 4140 Chromoly, VW Type 1

EMPI's 74 mm 4140 chromoly counter-weighted crankshaft for VW Type 1 -- the chromoly spec that engine builders specify when a standard steel crank is not enough.

- Fits VW Type 1 air-cooled engine (Beetle, Bus, Ghia, Thing)
- 74 mm stroke; 4140 chromoly steel with counter-weighting
- 4140 chromoly offers higher tensile strength than standard carbon steel
- EMPI brand stroker crank; widely used in performance and reliability builds
- Drop-in Type 1 case fitment; pairs with matching rod and piston specs

**€386.00** retail value

Qty in stock: 1

### EMPI Hi-Performance Chromoly Swing Axle Shaft, Standard Length, VW Type 1 1961-1966

EMPI hi-performance 4340 chromoly swing axle shaft, standard length, for 1961 to 1966 Type 1 -- the chromoly upgrade for dune buggy and off-road builds that break stock shafts.

- Fits 1961 to 1966 VW Type 1 swing axle rear suspension
- Standard length: 26 11/16 inches
- 4340 chromoly steel -- higher fatigue resistance than OE material
- EMPI brand; proven upgrade for off-road, dune buggy, and performance applications
- Direct replacement geometry; no axle housing modification required

**€386.00** retail value

Qty in stock: 1

### EMPI Hi-Performance Chromoly Swing Axle Shaft, Long, VW Type 1 Swing Axle

EMPI high-performance long axle shaft for VW swing axle applications, measuring 28 7/16 inches, sold individually.

- Designed for VW swing axle platforms
- High-performance specification from EMPI
- Length: 28 7/16 inches
- Single piece per listing
- Suited to race, kit car and performance builds

**€386.00** retail value
