Original VW T2 Workshop Manual, 1963-1967

A genuine original VW T2 workshop manual in blue -- the real thing, not a reprint.

- Covers VW T2 Bus, 1963 to 1967.
- Factory-original blue manual, not a reproduction.
- Scarce: original copies sell for EUR 100 to 175 on the secondary market.
- Indispensable reference for restoration and mechanical work.
- Collector and restorer appeal beyond purely functional use.

Single-Circuit Master Brake Cylinder, T1 Transporter 22.22mm [211611011H]

Rare early T1 Transporter single-circuit master brake cylinder in the correct 22.22 mm bore -- a safety-critical part with very limited availability.

- Fits VW T1 Transporter; single-circuit system specific to early production.
- 22.22 mm bore -- correct spec for pre-dual-circuit Buses.
- OE reference 211611011H.
- Also compatible with kit vehicle applications.
- Supply is extremely limited; early T1 brake parts rarely appear new.
