SPOTLIGHT PRODUCTS

A look at the standout items

Turbocharger with Gasket Set, Mercedes-Benz W211 and W164

Exhaust turbocharger for Mercedes W211 and W164, supplied with gasket set and matching OE cross-references.

- Fits Mercedes-Benz W211 and W164 applications
- OE cross-references: 6420900780, 6420900080, 6420900280 (Mercedes-Benz)
- Supplier part number 1317400600; gasket set included
- Unit weight 7.6 kg; dimensions 376 x 250 x 404 mm for pre-fit clearance check

€498.00 retail value

Qty in stock: 1

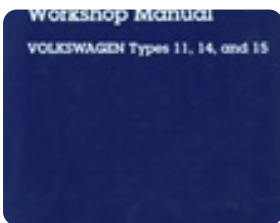

OEM Used Bonnet, Fiat 600

OEM used Fiat 600 bonnet in excellent condition, ready for paint, from a scarce and sought-after Italian microcar.

- Fits Fiat 600; original OEM panel, not reproduction
- Used condition described as excellent; solid tin with no noted damage
- Ready for paint preparation without major bodywork
- Fiat 600 body panels are increasingly scarce as restoration supply dries up
- Realistic mid-range pricing for a hard-to-find classic Italian bodywork piece

€130.00 retail value

Qty in stock: 1

Factory Workshop Manual, VW Beetle and Karmann Ghia 1952-1957

Original factory workshop manual covering VW Types 11, 14, and 15 from the earliest Beetle and Karmann Ghia production years.

- Fits VW Type 11 (Beetle), Type 14 (Karmann Ghia), and Type 15, 1952 to 1957
- Genuine OEM VW blue-cover issue, not a Bentley or aftermarket reprint
- Primary reference for correct restoration and period-accurate service procedures
- Collector-grade document; original factory manuals for this era are rarely found
- Essential reference for any owner or restorer working on early split-window cars

€125.00 retail value

Qty in stock: 1

Original Fuel Tank, Used Good, Fiat 600

Used-good original fuel tank for the Fiat 600, one of the scarcest body-adjacent items on the classic Italian microcar.

- Fits Fiat 600, all years requiring this tank
- Used condition, graded good; sourced from OEM stock
- Fiat 600 fuel tanks in serviceable condition are genuinely hard to find
- Avoids fabrication costs or the risk of running a deteriorated original
- Correct fitment for a car where off-the-shelf replacements do not exist

€120.00 retail value

Qty in stock: 1

AIR COOLED
TECHNOLOGY

OEM Rear Engine Deck Lid, Fiat 600

OEM rear engine-access lid for the Fiat 600, a structural body panel that rarely surfaces in usable condition.

- Fits Fiat 600; rear-engine decklid, OEM specification
- Used condition, described as perfect; genuine factory part
- Correct panel geometry for alignment with hinges and latches
- Reproduction alternatives for this panel are not commercially available
- Used retail value typically exceeds the catalogue price

€110.00 retail value

Qty in stock: 1

Zinc-Coated Rear Brake Rotor Pair, Ford Transit MK7

Zinc-coated rear brake rotor pair for the Ford Transit MK7, sold as a matched set ready to fit.

- Fits Ford Transit MK7, rear axle, 2006 to 2014
- Solid disc type, 280 mm diameter, 16 mm thickness, 5-stud pattern
- Zinc surface coating resists corrosion during storage and early service life
- Supplied as a pair; both axle sides covered in one purchase
- Aftermarket replacement at a fraction of dealer pricing

€95.00 retail value

AIR COOLED
TECHNOLOGY

OEM Chrome Bumper Bar, Fiat 600

Used OEM chrome bumper bar for the Fiat 600, a period trim piece that defines the car's front or rear profile.

- Fits Fiat 600; original OEM chrome bumper bar
- Used condition, described as good; genuine factory specification
- Chrome reproduction parts for Italian microcars carry a consistent market premium
- Correct mounting geometry for direct fitment without modification
- Scarce in any condition; increasingly difficult to source through normal channels

€90.00 retail value

Qty in stock: 1

EGR Valve, Ford Transit MK7 2.2 and 3.2 Diesel

EGR valve for the Ford Transit MK7, covering both the 2.2 and 3.2 diesel variants across the full production run.

- Fits Ford Transit MK7 (TT9) Minibus, 2.2 diesel 140 bhp, 10/07 onward
- Also fits 3.2 diesel 200 bhp Bus variant, 02/08 onward; engine codes listed
- Weighs 1.2 kg; direct replacement for the factory unit
- High-failure item on high-mileage Transit fleet vehicles
- Priced within normal market range for this frequently replaced component
